

The Finance & Resources Plan

Finance & Resources Vision:
Partnering to be the university the world needs

Create a safe, engaging and welcoming environment that inspires learning and discovery

Focus relentlessly on our shared commitments

Empower all to support and sustain the USask mission for future generations

Create an exceptional experience

Protect people and data

Support the university plan

Deliver the best stakeholder value

Enable institutional stewardship

Implement alternative revenue sources

Achieve operational excellence

Live our university values and principles through our shared beliefs

Build and grow leaders

Engage and develop employees

Recruit the best staff

Our Value Proposition:

Working with our partners in the delivery of solutions, programs and services
